

Welcome to the Langstone Technology Park (LTP)

## Connection Information

Please connect to the wireless network

⇒ [LTP Visitor](#)

If you have any difficulty connecting to the WiFi please contact the LTP Helpdesk on: 023 9249 7610

Instructions for use:

mobile devices

Free WiFi is available in the following areas within LTP:

- Auditorium
- Meeting rooms
- BEST Network room
- Reception Building 6000 (main reception)
- South Reception

In order to access the WiFi / LTP Visitor Network on your mobile device, you should follow these general instructions.

Go to your mobile device's 'Settings' section and select WiFi or WLAN.

Locate the 'LTP Visitors' wireless network and click connect. Once the connection has been confirmed by your mobile device, you should attempt to browse a website. You will then be redirected to the 'Wireless Network Authentication' website.

Once on this website, you will need to login with your username and password.

If you haven't yet registered your details, select 'Register' and create your account.

Your account will be active immediately.
