

GREEN ZONE

Application form.

Green Zone Parking Scheme.

TERMS AND CONDITIONS.

These terms and conditions are to ensure all **Green Zone** members are fully aware of the criteria to receive a **Green Zone** permit, we also want to ensure you have a comfortable and safe stay here at Langstone Technology Park. The contents also form your membership entitlement and agreement. Spaces are subject to availability and the **Green Zone** requirements. These spaces are limited and available daily on a first come first served basis. Please note there are currently no electric points to charge electric vehicles within this area it is a **Green Zone** parking area only.

- **Green Zone** permits are for car sharers who all work on site at LTP and for owners of electric vehicles who work at LTP.
- An application to the **Green Zone** scheme is not a guaranteed acceptance until approved and notified by security.
- Acceptance is subject to the **Green Zone** requirements.
- One permit will be issued per successful car share group application or to an owner of an electric vehicle.
- It is the responsibility of the permit applicant to update any changes to their application as soon as any changes occur that may affect their eligibility for a **Green Zone** permit.
- For car share permits it is the responsibility of all members to ensure the permit is transferred to the vehicle currently in use, if more than one vehicle is registered on your application form.
- Transferring of permits to any other unregistered car without informing security or the car park coordinator is a breach of the terms and conditions, you will be contacted and your permit may be revoked.
- You will be contacted and asked to move your car if you do not hold a permit that is clearly displayed for the car park coordinator or security to be able to view.
- Transferring permits to non-car share members is not permitted and is a breach of the **Green Zone** terms and conditions and your permit may be revoked.
- The permit holders will be responsible for informing security of any changes that occur after the permit application.
- If a permit holder has come to site without passengers, they should park in the main car park on that particular day. Please remember **Green Zone** spaces are very limited.
- An Electric car permit limits the applicant to the vehicle registered on the form. If for any reason you use an alternative fuelled vehicle, please use the main car park. Unless you have brought passengers who work at LTP with you on that day. You could be covered by the car share terms and conditions on your permit, however it is your responsibility to inform security of the registration of the temporary vehicle and names of your passengers on such day. Please remember **Green Zone** spaces are limited.
- Membership to the **Green Zone** scheme will be revoked if evidence of misuse of the facility is apparent.
- Please note the car park is monitored daily and Permits can be revoked by the car park coordinator and security.
- Please note applications are reviewed annually unless terms and conditions are breached.
- Your application will be reviewed annually from the date on your permit.
- We may at some time have to make reasonable changes to these terms and conditions, if this occurs you will be notified via email or your chosen choice of contact. You may cancel your **Green Zone** membership at any time.

HEALTH AND SAFETY.

- Fasset may at any time withdraw your ability to use this **Green Zone** facility for repair, alteration and grounds maintenance of the car park. As much notice as possible will be given to the permit holders.
- Any persons suffering an accident whilst in the car park should report the incident immediately to the car park coordinator or security.
