

HEALTH & SAFETY POLICY STATEMENT

Fasset Ltd

Langstone Technology Park, Langstone Rd, Havant PO9 1SA

www.langtp.com T: 023 9249 7605

Fasset is committed to ensuring as far as is reasonably practicable the health safety and welfare of all employees, temporary workers, customers and members of the public who may be affected by the company's work activities. The prevention of ill health and injury remains a priority at all times. There can be no compromise to the health, safety and welfare of any person within any Fasset workplace. Employees are encouraged to constantly challenge the 'Health and Safety Management System' in order to ensure continual development and improvement.

Managers have personal responsibility for the health, safety and welfare of all those under their control, including visitors to their department. All employees have personal responsibility for their own health and safety and other persons who their acts or omissions could affect.

Fasset will:

- Comply with all relevant statutory requirements for health, safety and welfare.
- Provide a safe place of work including access to, and egress from, for all personnel required to enter areas under its control.
- Ensure that equipment provided for use in the workplace, is suitable and appropriately maintained to ensure its safe condition at all times.
- Ensure suitable methods for the handling, storage and movement of materials and substances are maintained.
- Implement safe systems of work for all work activities conducted.
- Provide and maintain a working environment that is safe and without risks to the health and safety of all employees, contractors, temporary workers, customers, members of the public and visitors.
- Consult with personnel at all levels - management and workforce - in order to improve the health and safety culture throughout all areas of the company.
- Actively promote safety awareness within the company including legal and personal responsibilities.
- Provide information, instruction and training, including competent supervision, to ensure the health and safety of all employees.
- Establish specific health and safety objectives and measure performance against these objectives on a regular basis.

We all have equal responsibility for making and keeping our places of work safe, not only for ourselves but for our colleagues and all others who may be affected by our actions. Only the highest standards of health and safety will be accepted by Fasset. The co-operation and commitment of all employees is absolutely vital to ensure we succeed in meeting, sustaining and exceeding the standards to which Fasset prescribe.
